Subject: 2011 Nationals Agility HIT & HIL

Hello,

In the middle of the park the Agility trial spread out over two rings and the games began! The Santa Barbara Flyers hosted this year's National Agility Trial running a two ring USDAA trial. Although Thursday was the hottest day Buellton had seen all year, the weekend was not much cooler. The dogs enjoyed several pools to cool down in between runs. It was a wonderful time with something for everyone. Our High In Trial winner is what we refer to as an Agility Junkee – she just can't get enough! Looking forward to those win pictures!

HIT Overall - Jodi Thurman & Thurmans Miss Bailey

HIT MAS – Jodi Thurman & Thurmans Miss Bailey

Congratulations on an excellent trial,
 Run Fast & Run Clean,
 /Deb
